Above is the 8th grade reserve basketball team. They finished with a fine record of 5 wins and 5 losses. The team was under the fine coaching of Mr. Miller.

This year's 7th grade team, despite a losing record of 0 and 6, looks for improvement in their 8th grade year. The 7th graders were coached by Mr. Dew.

Marianne Ferraro (captain), Cathy Bux, Julia Prifogle, Gail Altekruse.

The reserve cheerleaders also helped the varsity squad in keeping spirit high in our school. Pictured above are Gina Sparks (alternate), Joan Neuman, Sue Macdonald, Liz Leach, Kris Wall, Pam Mason.

ACTIVITIES

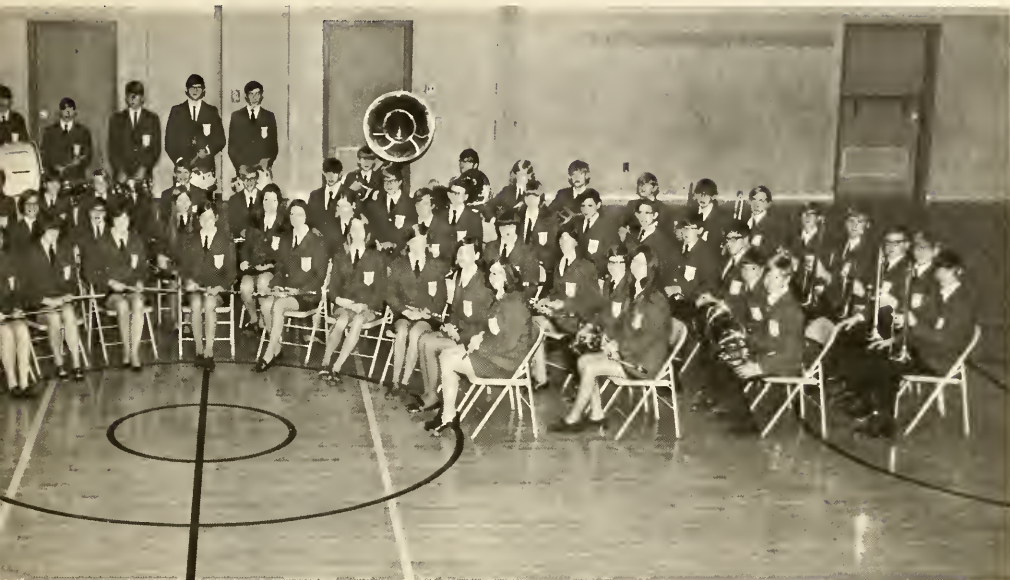

THE MERRY

Above: The Cadet Band is a group of seventh graders working every other day during second period and Wednesdays after school. They try to improve their skills so they might qualify for Concert Band next year.

MUSIC MAKERS

Above: Shown here is the Concert Band directed by Mr. Morphew. The band is made up of about 65 eighth and ninth graders. Throughout

the year they have participated in pep sessions, varsity basketball games, winter and spring concerts, and in the contest.

Left: The Concert Orchestra, also directed by Mr. Morphew, is made up of seventh, eighth, and ninth grade string instrument players and part of the eighth and ninth grade wind players. They meet Tuesday afternoons after school to practice for concerts and contest. Above: Pictured here is the Wind Ensemble made up of eighth graders. They practice hard to be in Concert Band next year. They also played at the varsity basketball games along with the Concert Band.

The Concert Choir consists of 9th & 8th graders. To get into this organization you must be responsible, and able to work hard, and to sing. Each member of this organization has at least 1 year of experience and the 9th graders have two.

The Glee Club meets opposite the Concert Choir every other morning. For some reason or other they were not able to make Concert Choir, so they will try again next year.

This is a choir consisting of 7th graders, getting training this year. They will either make Glee Club or Concert Choir next year.

NORTHWIND KEEPS US POSTED

At the left is the 1970-71 Northwind staff. These are the people who make sure that your paper is not just a group of blank pages. They also try to keep you up with what is going on around the school.

From left to right co-editor Gail Altekruse, sports editors Scott Lombard, and Roy Kline, and co-editor Marianne Ferraro. 2nd ROW Gina Sparks, Liz Leech, John Sommers, Bart Beuchner, Graham Houser, Jeff Stratton, Meshele Glass, Greg Houser, and Pam Mason.

Pictured above are your sports editors Scott Lombard and Roy Kline who along with Allan Martin and Bart Beuchner make sure that you know what's happening on the Northwood sports scene. The Northwind is published monthly except for June, July, and August and the sports are well covered by these boys.

Above is the Northwind's chief photographer Greg Houser. Greg is taking some pictures which will probably appear in one of the publications of the Northwind.

HARD WORKING BOOK STAFF

Pictured is the yearbook staff who published your yearbook. We hope you enjoy looking at it as much as we enjoyed working on it.

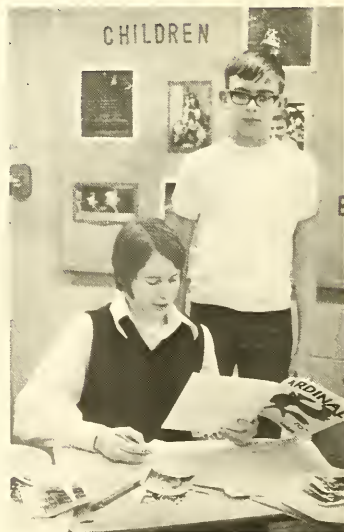

From left to right, Scott Lombard, Terri Riley, Susan Mac Donald, Sara Severine, Roy Kline. 2nd ROW, Pam Tilbury, Gary Gullickson, Theresa Rupert, Grahm Houser, Bart Buechner, Jeff Stratton, Meshele Glass, Greg Houser, and Jody Wiemer.

The Staff working busily to get the Cardinal ready for mailing.

Sara Severine and Roy Kline working on activities pages. Sara Severine along with Terri Riley are co-editors. Roy Kline and Scott Lombard are the sports editors.

INTRAMURALS KEEP EVERYONE HAPPY

The boys intramurals, as last year, offered a place for boys to go after school. It also gave boys that didn't make the school team, a chance to participate in sports they like.

Girls intramurals this year was a big success in their new and different ideas. Miss Sheak, supervisor of the girls, did a terrific job of keeping everyone interested; and welcome.

GIRLS HAVE MANY ACTIVITIES

Pictured here are the office helpers. These girls do their part in helping the office be more efficient.

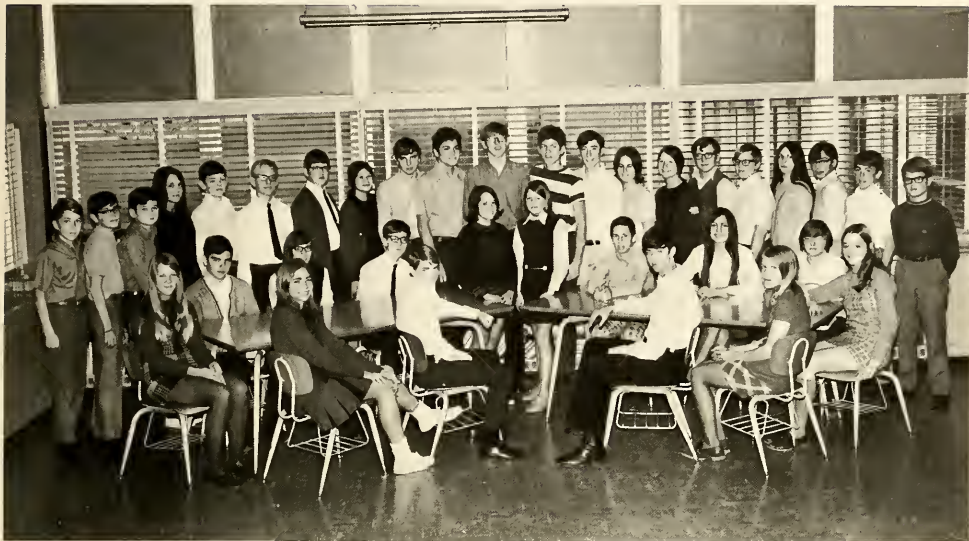

Pictured here is the sewing club. Supervised by Mrs. Kirkham and Mrs. Stout. These girls learn to make their own clothes.

Pictured here is the Typing Club. Supervised by Mrs. Crow teaching the girls the basic fundamentals of typing.

STUDENTS GOVERN AND HELP

Student Council this year was under the leadership of Dennis Burke, President, Bill Biggs, Vice Pres. and Gail Altekruze, Sec-Treasurer. The student council has helped to solve many of our school's problems.

The Library club has gone on many interesting field trips and have discussed many topics of books. These people pictured above also helped make the library more efficient.

THEY KNIT, ACT, AND TALK

The knitting club, by Mrs. Albright, works on all kinds of new stitches. With these they create new garments.

The drama club is a group of girls, here at Northwood, who work together learning new drama techniques.

They practice learning skits and plays. The group is sponsored by Mrs. Harker and Miss Hegggar.

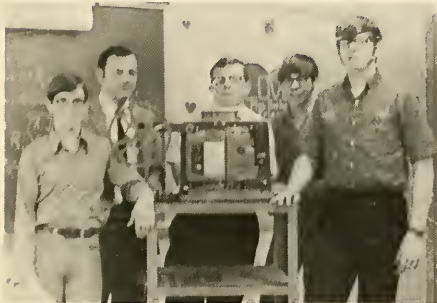

Pictured above is the Y Teens club. The group meets on Thursdays to discuss both area and National problems. The club is sponsored by Mrs. Stroh and according to those in it they have a real good time.

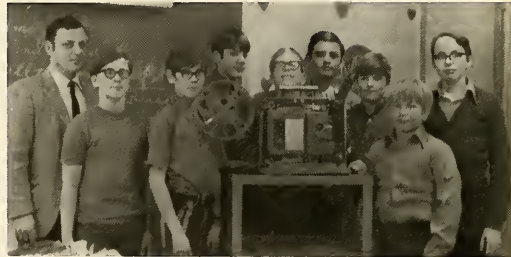

STUDENTS EXHIBIT INTERESTS

The cheerblock has been a great help to the cheerleaders this year. Sponsored by Mrs. Gall, these seventh, eighth, and ninth graders meet with the cheerleaders every other Monday to practice new cheers and chants.

The Advanced Audio Visual Club, under the direction of Mr. Fries, meets every Monday after school to show how to run projectors and learn how to run video equipment. From left: Dale Trainer, Mr. Fries, Charles Combs, Greg Houser, Bart Buechner.

The Beginners Audio Visual Club, also under the direction of Mr. Fries meets on Mondays to learn how to run projectors and video equipment.

Left: Sponsored by Mr. Gehl, our patrols are a great help. They keep order and direct traffic in the halls. Right: The Science Club is headed by Mr. Hart. They meet on Tuesdays and talk about

scientific events and occasionally may go to see these things or work on a project as a group.

This is a time of day the 7th graders look forward to.

Two 7th grade teachers are shown as they chat in the hallway. They are Mrs. Morgan and Mr. Eberhart.

The old ...

changing ...

Pictured above is the art club. In this club the members find time to create their own works of art.

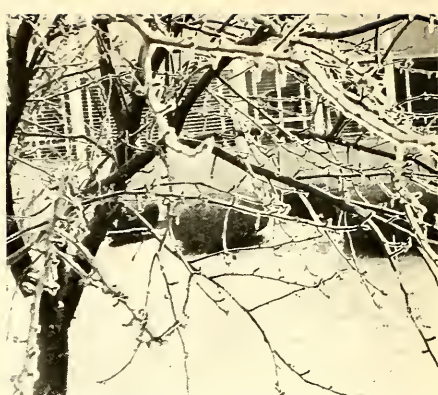

Yes, even the girls have a basketball team. Their record, one & one.

The new library in use.

Normally the halls would be filled with students on their way to their second period class, but . . .

February 4th it was like this outside so school called off for the day.

An anxious moment during the varsity vs. Franklin basketball game

Students on their way to a varsity basketball tournament game.

Another reason school was called off February 4th.

Some studious ninth graders caught during their study hall.
